

Biddenham

International School & Sports College

Principal: Mr David Bailey

Head of School: Ms Eleanor Grylls

19th July 2024

Dear Parents and Carers,

Re: End of Summer Term and Information for September 2024

We have had such a busy summer term this year packed full of engaging learning experiences both inside and outside the classroom. Over the last few weeks we have had transition days for our new year 7s and 12s, Year 11 and 13 Leavers' assemblies and proms, a fun packed Day of Sport and celebration assemblies for all year groups. We are immensely pleased with the progress that students have made and hope that they and you are proud of their achievements. We also wanted to write to you with some reminders and details about the start of term for Year 10 in September.

You will know from the Home - School agreement that is sent home every year, that we place a strong emphasis on high expectations and working together to best support your child. The role of the tutor within this is significant and will continue to be so throughout your child's journey through Biddenham. We are attaching a copy of the Home - School agreement to this letter and tutor details for further reference.

The first day back

The first day back at school for **year 10** is **Thursday 5th September**. Students should go directly to their **tutor bases at 7.50am**. Please see the end of the letter for details about tutor group bases and this [link](#) for timings of the school day.

Uniform

We believe in a 'Look smart - think smart' approach to school uniform. All students are expected to wear full school uniform as shown on this [link](#). **It is important to note that the school blazer and tie are compulsory and the jumper is optional. Any head coverings need to be in the school uniform colours of navy or black. Students should wear trousers (not leggings) and shoes (not trainers)**. If students have [Dance on their timetable](#), then on those days they should attend school in PE kit. Please see the [link](#) for more details.

Our basic school uniform items of plain black full length trousers, plain black skirt, plain white shirt/blouse, black or navy blue shalwar kamiz/jalbaab can be purchased relatively cheaply from any high street or supermarket clothes retailer. Uniform and PE kit can be purchased online www.swischoolwear.co.uk. If you require preloved uniform items please contact enquiries@biddenham.beds.sch.uk and we will be happy to help.

Attendance

Attendance at school is compulsory. There is strong evidence that tells us students who attend school regularly achieve better and are happier at school. Your support in ensuring students attend school is vital. More details regarding attendance will follow over the summer break.

Biddenham Turn, Biddenham, Bedford, MK40 4AZ

Fax: 01234 334530

Email: enquiries@biddenham.beds.sch.uk

Website: biddenham.beds.sch.uk

Equipment

In order to prepare for the new term and be ready for learning, the following is a list of expected equipment:

It is very important that you have the following equipment with you while at school.

PENS and Pencil (blue or black and green biro)	PENCIL CASE	RULER	RUBBER
			
SHARPENER	COLOUR PENS/PENCILS	SCISSORS	GLUE STICK
			
PROTRACTOR SET	SCHOOL BAG	COMPASS	SCIENTIFIC CALCULATOR
			
HEADPHONES (for Chromebook)	READING BOOK (these can be borrowed from the school library)	SHIN PADS (in addition to PE kit)	CHROMEBOOK AND CHARGER (provided by school)
			

Mobile phones

- Mobile phones are allowed in school for the acknowledged safety and contact reasons (before and after the school day only) - **contact during the school day for any urgent communication should be through the school office on 01234 342521**
- Mobile phones and headphones **MUST** be kept in a bag during the school day and not visible (this includes charging phones during lessons, phones out on the desks, or phones visible in pockets where they can distract students during lessons).
- Mobile phones must be switched off or on silent before the lesson starts and before entering the classroom (not on vibrate which can distract students during lessons)
- Students will not be allowed to listen to music during lesson time
- Mobile phones can be used (if required) during lunchtimes and break times. However, we strongly recommend that students engage in the school life around them and not their devices. We have plenty of extra-curricular activities on offer.

Travel to school

We promote healthy lifestyles and encourage students to walk or cycle to school. Please remind students to cycle carefully, wear reflective clothing and a cycle helmet. For safety tips follow this [link](#). If you bring a child to school by car please drive carefully and use the drop off/pick up points marked on the drive.

Cashless system (ParentPay)

All of our food outlets will be open fully in the new term and we will be continuing with our cashless system for food and all other school purchases including trips and visits. If you have not already set up an account or will be new to the school in September you will receive your unique ParentPay Account activation letters shortly. If you would like to know more about this service please click on the Parentpay tab on our website <https://www.biddenham.beds.sch.uk/>

If you have any queries please contact us on parentpay@mybiddenham.com

Family support over summer

- [Free school meals vouchers](#). Bedford Borough Council are providing vouchers over the

summer for all families eligible for income related free school meals. Voucher codes are sent directly by email to eligible families.

- [Holiday Activities and Food \(HAF\) programme](#). Eligible families should have received an E-voucher by email that can be used to book into a variety of activities over the summer holiday.
- A number of companies are doing free or very reasonable meals for children over the summer break. There is a link [here](#) to the full list of companies.
- In need of well-being support please see our [school website](#) or email help@biddenham.beds.such.uk

Student wellbeing

Summer holidays can be difficult for some young people. This is often due to a change of routine/structure, a change in social interactions and less cognitive stimulation. A range of summer self care activities are recommended here by our colleagues at [Anna Freud National Centre for Children and Families](#), [Shout](#) and more locally Bedford Borough Council have produced '[How you feel matters](#)'

The use of chromebooks and google classrooms has continued to be a great asset this year in facilitating in school and home learning. Summer holiday projects and study/revision resources for Key Stage 4 will be shared on google classrooms to support students in staying focused and making a strong start with their continued GCSE studies in September. Also, remember that as parents you can get subject and homework information through google classroom updates and track attendance and behaviour through signing up to classcharts. Here is a [link](#) to the website for more information.

Finally, next year we want to continue to promote a love of reading for pleasure and to aspire to high levels of achievement. Year 10 brings with it the important work of really getting to grips with GCSE subjects and assessment and reading and comprehension is the key to success. We also really want to encourage students to participate in extra-curricular activities, taking advantage of the **free clubs** at lunchtime and after school.

We are, as ever, extremely grateful for all the support we receive from our school community and are incredibly proud of our students and staff. We hope that you will have some time to relax and unwind with loved ones, over the summer break. See you in September!

Warm regards,

Mr D Bailey Ms E Grylls
Principal Head of School
