September 2024

Dear Parent/ Carer

Independent learning and homework has a very important part to play in your child's secondary education. At Biddenham we realise the importance of keeping Parents/ carers as informed and involved as we can.

There are a range of online platforms that you have access to as a parent/carer and it is vital that you have access to the full range of resources.

Upload money to accounts for trips, visits, lunch money, and ingredients for food lessons. You should have already received these login details.

Google Classroom

Daily or weekly summaries available to track your child's homework and classwork. An email will be sent on Monday 16th September to invite you to join.

View your child's timetable, track attendance, behaviour and achievements. A letter will be sent to you with your personalised log-in details

Keep up to date with your child's progress in literacy. Login details will be sent to you in Mid September.

All of these resources help to keep you up to date with what your child is learning and their achievements in real time throughout the school day.

If you have not received emails to join the above online platforms, please contact Julie.giles@mybiddenham.com and we check your contact details so you can access these fantastic resources.

Yours sincerely
