

Biddenham

International School & Sports College

Principal: Mr David Bailey

Head of School: Ms Eleanor Grylls

September 2024

Dear Parent/ Carer,

In order to make Food Technology cost effective for Parents / Carer's we have a system in place to ensure every child has the opportunity to access ingredients from school. Therefore, for all students in Year 8 the Food Department will provide all their ingredients and containers for the term.

For the whole school year we will require the one off payment below in order to cover the cost of their ingredients and container, please can you pay this via your parent pay account, under Food Technology.

Year 8 - £15.00 This will pay for all ingredients and containers needed for the 3 terms.

Student recipes across the 3 terms are; Scotch Egg, Naan Bread, Red Velvet Cookies, Cheese Swirls, Swiss Roll with Homemade Jam, Vegetable Quiche, Melting Moments, Sausage Rolls and Onion Bhajis. In doing these recipes students will learn vital skills in chopping, whisking and blending flavours. They will also prepare students for the content that they study in year 9.

Additionally, if payment is not provided then we will assume ingredients and containers will be provided by yourselves. Please get in touch if you would like a list of ingredients and recipes for the year. It is vital that all students partake in practical food lessons as this forms part of the Food National Curriculum.

If there are any problems, or if you would like more information, please do not hesitate to contact the Food Department.

Yours sincerely,

Meredyth Powell
Head of Food Preparation and Nutrition
